HOUSE AMENDMENTS TO H 210

AMENDMENT TO SECTION 1

On page 1 of the printed bill, delete lines 9 through 43; and on page 2, delete lines 1 through 5, and insert:

"33-1103. DEFINITIONS -- BONDS -- LIMITATION ON AMOUNT -- ELECTIONS TO AUTHORIZE ISSUANCE. (1)

For the purposes of this chapter the following definitions shall have the meanings specified: "Market value for assessment purposes" means the amount of the last preceding equalized assessment of all taxable property and all property exempt from taxation pursuant to section 63-602G, Idaho Code, which property has been voted by the qualified electors to be fully subject to taxation for purposes of the school bond within the school district on the tax rolls completed and available as of the date of approval by the electorate in the school bond election. "Aggregate outstanding indebtedness" means the total sum of unredeemed outstanding bonds, minus all moneys in the bond interest and redemption fund or funds accumulated for the redemption of such outstanding bonds, and minus the sum of all taxes levied for the redemption of such bonds, with the exception of that portion of such tax levies required for the payment of interest on bonds, which taxes remain uncollected. "Issue," "issued," or "issuance" means a formal delivery of bonds to any purchaser thereof and payment therefor to the school district.

(2) The board of trustees of any school district, upon approval of a majority thereof, may submit to the qualified school district electors of the district the question as to whether the board shall be empowered to issue negotiable coupon bonds of the district in an amount and for a period of time to be named in the notice of election.

(3) An elementary school district which employs not less than six (6) teachers, or a school district operating an elementary school or schools, and a secondary school or schools, or issuing bonds for the acquisition of a secondary school or schools, may issue bonds in an amount not to exceed five percent (5%) of the market value for assessment purposes thereof, less the aggregate outstanding indebtedness; and no other school district shall issue bonds in an amount to exceed at any time two percent (2%) of the market value for assessment purposes thereof less the aggregate outstanding indebtedness. The market value for assessment purposes, the aggregate outstanding indebtedness and the unexhausted debt-incurring power of the district shall each be determined as of the date of approval by the electors in the school bond election.

(4) Notice of the bond election shall be given, the election shall be conducted and the returns thereof canvassed, and the qualifications of electors voting or offering to vote shall be, as provided in sections 33-401 through 33-406, Idaho Code.

(5) The question shall be approved only if the percentage of votes cast at such election were cast in favor thereof is that which now, or may hereafter be, set by the constitution of the state of Idaho. Upon such approval of the issuance of bonds, the same may be issued at any time after the date of such election."

AMENDMENT TO THE BILL

On page 2, delete lines 6 through 8, and insert:

"SECTION 2. That Section 63-602G, Idaho Code, be, and the same is hereby amended to read as follows:

63-602G. PROPERTY EXEMPT FROM TAXATION -- HOMESTEAD. (1) During the tax year 2006 and each year thereafter, subject to annual adjustment as provided herein, the first seventy-five thousand dollars (\$75,000) of the market value for assessment purposes of the homestead as that term is defined in section 63-701, Idaho Code, or fifty percent

(50%) of the market value for assessment purposes of the homestead as that term is defined in section 63-701, Idaho Code, whichever is the lesser, shall be exempt from property taxation. Beginning for tax year 2007, the state tax commission shall publish adjustments to the maximum amount subject to property tax exemption to reflect cost-of-living fluctuations. The adjustments shall effect changes in the amount subject to tax exemption by a percentage equal as near as practicable to the annual increase in the Idaho housing price index as determined by the United States office of federal housing enterprise oversight. The state tax commission shall publish the adjustments required by this subsection each and every year the office of federal housing enterprise oversight announces a change in the Idaho housing price index. The adjustments shall be published no later than October 1 of each year and shall be effective for claims filed in and for the following property tax year. The publication of adjustments under this subsection shall be exempt from the provisions of chapter 52, title 67, Idaho Code, but shall be provided to each county and to members of the public upon request and without charge.

(2) The exemption allowed by this section may be granted only if:

(a) The homestead is owner-occupied and used as the primary dwelling place of the owner as of January 1, provided that in the event the homestead is owner-occupied after January 1 but before April 15, the owner of the property is entitled to the exemption. The homestead may consist of part of a multidwelling or multipurpose building and shall include all of such dwelling or building except any portion used exclusively for anything other than the primary dwelling of the owner. The presence of an office in a homestead, which office is used for multiple purposes, including business and personal use, shall not prevent the owner from claiming the exemption provided in this section; and

(b) The tax commission has certified to the board of county commissioners that all properties in the county which are subject to appraisal by the county assessor have, in fact, been appraised uniformly so as to secure a just valuation for all property within the county; and

(c) The owner has certified to the county assessor by April 15 that:

(i) He is making application for the exemption allowed by this section;

(ii) That the homestead is his primary dwelling place; and

(iii) That he has not made application in any other county for the exemption, and has not made application for the exemption on any other homestead in the county.

(d) For the purpose of this section, the definition of "owner" shall be the same definition set forth in section 63-701(7), Idaho Code.

When an "owner," pursuant to the provisions of section 63-701(7), Idaho Code, is any person who is the beneficiary of a revocable or irrevocable trust, or who is a partner of a limited partnership, a member of a limited liability company, or shareholder of a corporation, he or she may provide proof of the trust, limited partnership, limited liability company, or corporation in the manner set forth in section 63-703(4),

Idaho Code.

(e) Any owner may request in writing the return of all copies of any documents submitted with the affidavit set forth in section 63-703(4), Idaho Code, that are held by a county assessor, and the copies shall be returned by the county assessor upon submission of the affidavit in proper form.

(f) For the purpose of this section, the definition of "primary dwelling place" shall be the same definition set forth in section 63-701(8), Idaho Code.

(g) For the purpose of this section, the definition of "occupied" shall be the same definition set forth in section 63-701(6), Idaho Code.

(3) An owner need only make application for the exemption described in subsection (1) of this section once, as long as all of the following conditions are met:

(a) The owner has received the exemption during the previous year as a result of his making a valid application as defined in subsection (2)(c) of this section.

(b) The owner or beneficiary, partner, member or shareholder, as appropriate, still occupies the same homestead for which the owner made application.

(c) The homestead described in subsection (3)(b) of this section is owner-occupied or occupied by a beneficiary, partner, member or shareholder, as appropriate, and used as the primary dwelling place of the owner or beneficiary, partner, member or shareholder, as appropriate, as of January 1; provided however, that in the event the homestead is owner-occupied after January 1, but before April 15, the owner of the property is entitled to the exemption.

(4) The exemption allowed by this section must be taken before the reduction in taxes provided by sections 63-701 through 63-710, Idaho Code, is applied.

(5) Recovery of property tax exemptions allowed by this section but improperly claimed or approved:

(a) Upon discovery of evidence, facts or circumstances indicating any exemption allowed by this section was improperly claimed or approved, the county assessor shall decide whether the exemption claimed should be allowed and if not, notify the taxpayer in writing, assess a recovery of property tax and notify the county treasurer of this assessment.

(b) When information indicating that an improper claim for the exemption allowed by this section is discovered by the state tax commission, the state tax commission may disclose this information to the appropriate county assessor, board of county commissioners and county treasurer. Information disclosed to county officials by the state tax commission under this subsection may be used to decide the validity of any entitlement to the exemption provided in this section and is not otherwise subject to public disclosure pursuant to chapter 3, title 9, Idaho Code.

(c) The assessment and collection of the recovery of property tax must begin within the seven (7) year period beginning the date the assessment notice reflecting the improperly claimed or approved exemption was required to be mailed to the taxpayer.

(d) The taxpayer may appeal to the board of county commissioners the decision by the county assessor to assess the recovery of property tax within thirty (30) days of the

date the county assessor sent the notice to the taxpayer pursuant to this section.

(e) A recovery of property tax shall be for each year the exemption allowed by this section was improperly claimed or approved up to the lesser of a maximum of seven (7) years or until the property was transferred to a bona fide purchaser for value. The amount of the recovery of property tax shall be calculated using the product of the amount of exempted value for each year multiplied by the levy for that year plus costs, late charges and interest for each year at the rates equal to those provided for delinquent property taxes during that year.

(f) Any recovery of property tax shall be due and payable no later than the date provided for property taxes in section 63-903, Idaho Code, and if not timely paid, late charges and interest, beginning the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section, shall be calculated at the current rate provided for property taxes.

(g) Recovered property taxes shall be billed, collected and distributed in the same manner as property taxes, except each taxing district or unit shall be notified of the amount of any recovered property taxes included in any distribution.

(h) Any unpaid recovered property taxes shall become a lien upon the real property in the same manner as provided for property taxes in section 63-206, Idaho Code, except such lien shall attach as of the first day of January in the year following the year the county assessor sent the notice to the taxpayer pursuant to this section.

(i) For purposes of the limitation provided by section 63-802, Idaho Code, moneys received pursuant to this subsection as recovery of property tax shall be treated as property tax revenue.

(6) The legislature declares that this exemption is necessary and just.

(7) A homestead having previously qualified for exemption under this section in the preceding year, shall not lose such qualification due to: the owner's, beneficiary's, partner's, member's or shareholder's absence in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code, or because the homestead has been leased because the owner, beneficiary, partner, member or shareholder is absent in the current year by reason of active military service in a designated combat zone, as defined in section 112 of the Internal Revenue Code. If an owner fails to timely apply for exemption as required in this section solely by reason of active duty in a designated combat zone by the owner, beneficiary, partner, member or shareholder, as appropriate, as defined in section 112 of the Internal Revenue Code, and such homestead would have otherwise qualified under this section, then the board of county commissioners of the county in which the homestead is located shall refund property taxes, if previously paid, in an amount equal to the exemption which would otherwise have applied.

(8) The exemption provided in this section shall not apply to the levies authorized in chapter 11, title 33, Idaho Code, relating to any school district that incurs bonded indebtedness in excess of the amounts specified in subsection (3) of section 33-1103, Idaho Code, when such bond is first authorized after January 1, 2008, and the qualified electors of the school district vote for such

property to be fully subject to taxation for purposes of the school bond. The question submitted to the qualified electors pursuant to this subsection shall be included as a part of the question requesting approval for the bonded indebtedness and shall have the same requirements for passage as the bond. The school district shall notify the county clerk and the state tax commission within fifteen (15) calendar days following such a successful election.

SECTION 3. That Chapter 8, Title 63, Idaho Code, be, and the same is hereby amended by the addition thereto of a NEW SECTION, to be known and designated as Section 63-802B, Idaho Code, and to read as follows:

63-802B. BOND ELECTIONS -- PROPERTY TAX INCREASE ELECTIONS -- ELECTIONS TO CREATE A NEW TAXING DISTRICT. In the case of an election: (1) to incur bonded indebtedness, (2) to increase the property tax portion of its budget pursuant to subsection (1)(f) or (1)(g) of section 63-802, Idaho Code, or (3) to create a new taxing district, either the taxing district, or if the election is to create a new taxing district the county clerk, shall mail a notice of the election, not less than fourteen (14) calendar days prior to the election, to all residences within either the taxing district or proposed taxing district or to residents of the taxing district or proposed taxing district who are eligible to vote in this election. The notice shall state with specificity: the purpose of the election, the date of the election, polling places, the time the polls will be open, the aggregate amount of taxes that will be raised in the taxing district if the election is successful and the increase that will occur per one hundred thousand dollars (\$100,000) of taxable value of property above any exemptions, of residential property, commercial property, industrial property, land actively devoted to agriculture and operating property. Compliance with this section shall satisfy any notice or publication requirement as may be provided by law.

SECTION 4. An emergency existing therefor, which emergency is hereby declared to exist, Sections 1 and 3 of this act shall be in full force and effect on and after passage and approval; and Section 2 of this act shall be in full force and effect on and after January 1, 2008."
